§ 90.117 Applications for radio station or radio system authorizations.

Persons desiring a radio station or radio system authorization must first submit the appropriate application(s). Prescribed application forms are listed in § 90.119. The Forms may be obtained from the Washington, DC office of the Commission, its Gettysburg, PA office, or from any of its engineering field offices. (See § 90.145 for information regarding special temporary authorizations.) Applicants for new stations comprising a land mobile radio system as defined in § 90.7 of this part, or applicants modifying or renewing a station that is a part of a system, may file an application for a system authorization.

[47 FR 57051, Dec. 22, 1982]

§ 90.119 Application forms.

The following application forms shall be used—

(a) Form 600 shall be used to apply:

(1) For new base, fixed, or mobile station authorizations governed by this part.

(2) For system authorizations, where the system meets the requirements of § 90.117.

(i) Application for a radio system may be submitted on a single Form 600.

(ii) If the control station(s) will operate on the same frequency as the mobile station, and if the height of the control station(s) antenna(s) will not exceed 6.1 meters (20 feet) above ground or an existing man-made structure (other than an antenna structure), there is no limit on the number of such stations which may be authorized. Appropriate items on Form 600 shall be completed showing the frequency, the station class, the total number of control stations, the emission, and the output power of the highest powered control station. Applicants for all control stations in the 470–512 MHz band must furnish the information requested in the relevant items in Form 600.

(3) For modification or for modification and renewal of an existing authorization. See § 90.135.

(4) For the Commission's consent to the assignment of an authorization to another person or entity, except for authorization to provide commercial mobile radio service. In addition, the application shall be accompanied by a letter from the assignor setting forth his or her desire to assign all right, title, and interest in and to such authorization, stating the call sign and location of the station, and stating that the assignor will submit his or her current station authorization for cancellation upon completion of the assignment. Form 1046 may be used in lieu of this letter.

(5) For reinstatement of an expired license. See also paragraphs (b)(1) and (e) of this section.

(b) Form 405–A shall be used to:

(1) Apply for license reinstatement or renewal if the reinstatement or renewal does not involve the modification of the station or system license.

(2) Notify the Commission of a change in the licensee's name or mailing address that occurs during the license term. See § 90.135(b).

(3) Notify the Commission that the licensee has discontinued station operation and wishes to cancel the license. See § 90.157.

(c) Form 490 shall be used whenever it is proposed that a licensee for a commercial mobile radio service in this part change, as by transfer of stock ownership, the control of a corporate licensee or for the Commission's consent to an assignment of an authorization to another person or entity.

(d) Form 572, Temporary Permit to Operate a Part 90 Radio Station, should be properly executed if the applicant is eligible and desires to operate his or her station pending the processing of his or her formal application. See also §§ 90.159, and 90.657.

(e) Form 574–R shall be used to apply for renewal of an existing authorization and may be used to apply for reinstatement of an expired license, if the renewal or reinstatement does not involve the modification of the station or system license. (Form 574–R is generated by the Commission and mailed
